JOAN. BAR. LEBLANC INV. ET SCULP.

In hac Tabula Metropoles Civitates Majoribus seu initialibus literis designandas curavimus. Oppida quæ asterisco notantur, ea sunt in quibus celebrata fuerit Concedia, et eorum quidem omnium nomina hic habes præter Novæ-Cæsareæ, Macrianae & Junci, quarum urbium situm pro comperto habere non licuit. Ceterum multarum hic urbium positiones certas arbitror sed sanum fore quæ mari alluuntur, aut quæ lineolis inter se connectuntur, quippe quæ ex frequentiori apud auctores mentione aut ex itinerariis notiones sunt. Reliquæ neque ex tam certis regulis, neque tam casu aut absque ulla prorsus ratione locatæ sunt.
