

CVM SERENISSIMVS PRINCEPS ALBERTVS
Eboram ex itinere inuiferet.

Epigramma.

EXultent Eboræ campi, noua gaudia ciues
Concipiant, festum concelebrentq̄ diem:

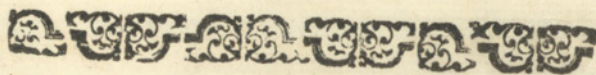

Nam Princeps Albertus adest clarissima regum
Progenies, generis lumen, honosq̄ sui,

Tempora cui roseo fulgent radiata galero,
Et nitet in niueo plurimus ore decor.

Lysiadum gentis nimio qui captus amore,
Saturni nobis secula restituit,

Egit enim virtute ducem, pietate parentem;
Censorem exemplo, consilioq̄ senem.

Fælices populi, quos est aditurus, & vrbes,
Queis dabitur tali principe posse frui.
